Weekly Newsletter

This week, we have seen the children starting to organise their own student leadership team. Having chosen head boy and girl, our school and eco councils now have the ideas ready to share with the rest of the school! See below!
Enjoy the weekend.

School Council

Last week the children voted for their new school council team. This week our councillors have been working closely with Miss Heaton to choose their afterschool clubs. The children requested a variety of clubs and we are pleased to announce that this term our afterschool clubs will be; crafts, gymnastics, painting, ICT, games, lego, yoga, rugby, football and chess. Children who attend after school clubs will receive credits for Children's Univerity!

After School Clubs

Your child will be bringing their club letters home tonight for sessions starting next week. Please ensure that the children attend as staff are giving their time up after school to run the sessions the children have asked for.

Football season kicks off!

Our Year 5 and 6 team started their season at JMO against some local 'big-hitters' but showed that we can compete at such a high level! Well done guys, same again next week!
